(414) 482-1600

<http://www.associatedspring.com>

Products include special springs, spring washers, wire forms, stampings; assemblies to the aerospace, automotive, construction, defense, fuel injection systems, medical, marine products.

AXIS CORPORATION

Bellefontaine, OH

Matt Oldiges

(937) 592-1958

<http://www.axiscorporation.com>

Metal stampings, robotic welding & assembly, appliance, architectural, defense, electrical, motor, electronics, fuel cell, latch hardware.

BIO CASCADE, INC.

Readville, MA

Laura L. Plummer
(800) 983-2420
<http://www.bio-cascade.com>
Pollution purification products & services.

DANAHER
Austin, TX
William Craig Shields
(512) 569-8818
www.dancon.com
Power quality solutions, medium voltage vacuum contactors & motor starters.

DANSA LLC
Basking Ridge, NJ
Haion Won
(908) 343-1838
<http://www.strainee.com>
Green humidifier without any electricity, disposable green strainer made from cornstarch, toilet seat lifter, hand-safe angle cutter, high end air purifier, bidet seat.

DRYCAKE
Surrey, BC, Canada
Cedric Vanderbeken
(604) 564-3747
<http://www.drycake.com>
Industrial & municipal wastewater, biosolid solutions including sludge dryers, decanter centrifuges, headworks screening, shaftless conveyors, vacuum evaporators & complete recycling systems.

EIGER INTERNATIONAL , INC.
Telluride, CO
Wendy Carter
(970) 369-0659
<http://www.eigerinternational.com>
Landlot surfaceliner multi-surface protection. Ideal for protecting high end flooring, counter tops, fixtures & more.

ENCELIUM TECHNOLOGIES
Teaneck, NJ

Rick Schuett

(551) 404-3096

<http://www.encelium.com>

Smart lighting energy management control systems for worldwide new & existing schools, universities, office buildings, hospitals, retail stores, warehouse & distribution centers, airport terminals.

FERRY MACHINE CORP

Little Ferry, NJ

Louis F. Ferretti

(201) 394-4896

www.ferrymachine.com

Medical prosthetics for hip, knee, spine & shoulder. Machine parts. Sell to Defense, Military, Pharmaceutical.

HACO ATLANTIC, INC.

Houston, TX

Daniel Kint

(281) 445-3985

<http://www.hacoatlantic.com>

Full line of metal fabricating equipment including CNC press brakes, automated production cells, shears, CNC turret punch presses, plasma's, notchers, plate & angle rolls.

HARNEY HARDWARE

Thonotosassa, FL

Preston Copenhaver

(813) 986-1121

www.harneyhardware.com

Bathroom and door decorative hardware.

HYTORC

Mahwah, NJ

Eric Junkers

(201) 512-9500

<http://www.hytorc.com>

Hydraulic & pneumatic industrial bolting tools, accessories, power packs & custom solutions.

INTERNATIONAL PRODUCT SOURCES, INC.

Medley, FL
Keith Cotter
(305) 805-0086
www.ipusadiv.com

Die castings, stampings, injection molded parts, machined components, and assemblies.

JERGENS SPECIALTY FASTENERS

Cleveland, OH
Steve Timura
(216) 706-6137
<http://www.jergensinc.com>

Specialty fasteners & engineered components.

MCCLELLAN AUTOMATION SYSTEMS

Bedford, NH
Randy George Lavigne
(603) 459-5986
<http://www.mcclellanautomation.com>

Engineering development, proto-type equipment, customized testing equipment & fully automated production lines utilizing a concurrent engineering approach to design & build of robust process equipment.

MIDLAND METAL

Kansas City, MO
Billy Hodes
(816) 842-5544
<http://www.midlandmetal.com>

Worldwide source for high quality fittings, valves, nipples, & accessories delivered with innovative service at the most competitive prices.

(888) 686-0911
<http://www.motovario.com>
Gear motors, gear reducers, motors AC & DC.

NORDSON CORPORATION
Amherst, OH
Ed McGhee
(440) 821-2554
<http://www.nordsonuv.com>
UV curing systems.

NUTMEG TOOL & DIE
Southington, CT
Bob Dubowsky
(860) 276-8311
<http://www.nutmegtoolanddie.com>
Metal stamping, CNC machining, aircraft components.

OHIO SEMITRONICS, INC.
Hilliard, OH
William Hogue
(614) 777-1005
<http://www.ohiosemitronics.com>
AC/DC energy measurement products including watt, VAR, voltage, current, frequency & multi-function transducers, demand/sub metering products & hall-effect current transducers.

PG LIFELINK
Erlanger, KY
Mike Voss
(859) 372-7665
<http://www.pglifelink.com>
Isolated power & aluminum raceway.

PORVAIR FILTRATION GROUP

Ashland, VA

Trevor Waghorn

(804) 550-1600

<http://www.porvairfiltration.com>

Manufacturer of filters (metal & polymeric) for industrial processes such as petrochemicals & refineries, general chemicals, polymers, food & beverage, pharmaceutical, conventional & nuclear power.

POWER & COMPOSITE TECHNOLOGIES

Amsterdam, NY

Robert Mylott

(518) 225-7092

<http://www.pactinc.com>

Manufacturer of custom composite structures including tubes, piping & machined components used in electrical, medical, oil & gas applications.

REESE ENTERPRISES, INC. dba ASTRO PLASTICS

Rosemount, MN

James Richard Kinville

651-322-1055

www.astroplastics.com

Produce engineered custom plastic profile extrusion components for a variety of manufactured products including windows and doors, point-of-purchase, store fixtures, water craft, industrial machinery, appliances, and other products.

ROSS DESIGN & ENGINEERING

Somerset, MI

Jack R. Plate

(517) 547-6033

<http://www.rossdesign.net>

Produce stampings up to 200.

RUSSELL ASSOCIATES

Le Seur, MN

Jerry Van Oort

(612) 246-4756

<http://www.intratrain.com>

Customized training & testing solutions designed for individual & group delivery, on-line or on-site. Subjects include manufacturing, technical, job skills, safety, company policies, sales.
